

## Sunrise Tour

Sunrise flights are shortly after sunrise (around 6 AM).

Once you are safely on the ground after the sunrise flights, the pilot and crew will set up a champagne toast for you at the landing site. As you sip champagne, the pilot will share the story of how hot air ballooning originated (and the unique connection between champagne and ballooning!) and recite the Balloonist's Prayer.

## WARNING!!

*Hot air balloon flights can be uplifting!*

We are Washington's premier hot air balloon company. Located in the Woodinville area, we provide scenic balloon rides daily. Our ballooning season takes place late-June through late-September. This time frame provides the ideal weather for ballooning in Washington. Flights are offered twice daily (morning flights through mid-September). The exact meeting times fluctuate since they depend on sunrise and sunset due to the affect they have on the wind, which is a very important factor in ballooning.

- If you need or want a certain date book as far in advance as possible! It isn't unusual to find availability for a flight last minute. It's worth a try!
- For cancelations or changes, we require 48 hours advance notice. Less than 48 hours notice to your scheduled meeting time or no show, will result in your voucher being considered used.
