

Sunset Tours

Our sunset flights meet 2 hours and 15 minutes before sunset. Please allocate 3-4 hours for this event. Once all passengers have arrived to Matthew's Winery, Over the Rainbow will transport you to the launch location near the meeting site. From there the pilots and crew will begin the inflation process, giving you the opportunity to become involved if you wish. Are You may also choose to observe inflation and take pictures. The inflation takes about 15 to 20 minutes. Once the balloon is fully inflated we will begin our journey over some beautiful scenery drifting back towards Woodinville.

After the flight, the pilot and crew will transport passengers back to Matthew's Winery where you will have the pleasure of savoring exquisite wines all grown and bottled in Washington state. Wine tastings with light appetizers are included

Warning!!!

Hot air balloon flights can be uplifting.

We are Washington's premier hot air balloon company located in the Snohomish, Seattle and Woodinville areas. We provide scenic balloon rides daily. Our ballooning season takes place late-June through late-September. This time frame provides the ideal weather for ballooning in Washington. Flights are offered twice daily (morning flights through mid-September). The exact meeting times fluctuate since they depend on sunrise and sunset due to the affect they have on the wind, which is a very important factor in ballooning.

What to Wear

Comfortable clothing is recommended. Athletic or closed-toed shoes work best when climbing in and out of the basket. The temperature in the basket in the sky is about the same as it is on the ground so dressing in layers allows for optimal comfort.

What to Expect

- Reservations are required and are made on a first come first served basis
- If you need or want a certain date book as far in advance as possible! It isn't unusual to find availability for a flight last minute. It's worth a try!
- For cancelations or changes we require 48 hrs advance notice. Less than 48 hours notice to your scheduled meeting time will result in being charged full fare. If this happens you can go on a later date on a "stand-by" space available basis
- If we should cancel for your safety, you have no further obligation
- Weights are required when making reservations to ensure physics are in our favor, we don't care how much you weigh but Newton does!
